Unless otherwise specifically indicated on the face hereof, this Order is not an acceptance of any offer, quotation or proposal made by Seller; and, any reference thereto is made solely for the purpose of specifying prices and the nature and description of the goods and services ordered. This obligation is a material term of this Order and must be included in all subcontracts at all tiers. The corrected and current facts could lead Buyer to divert Seller’s Work from the intended use, terminate continued performance, or other business decisions. A breach of this obligation is grounds for a default termination.
